T's & C's:

- * Our land was wild for many years. We have made huge strides in taming our learning glade area to create a safe, fun and free explorative experience. As this is a natural, outdoor learning space, please be aware that we cannot be held liable for any ticks or other wildlife that may occur in the space.
- * We encourage parents to work with us in teaching our nunu's natural risk assessment and safe behaviour. It is not for us to eradicate all dangers but to teach our children how to become aware of their environment.
- * We are a social media-free zone. Please don't publish photos of the group on facebook or other social media platforms. We endeavour to respect our children and their privacy. If we need to use appropriate content for marketing or information purposes we will ask for the relevant permission to do so as needed.
- * Your space in the group is confirmed upon payment of the full amount of R275 for the term.

I have read and agree to the terms and conditions and declare my info correct. I hereby indemnify 'Wilderness Learning Cooperative' against any injuries or accidents that may occur due to the outdoor nature of the learning space.
